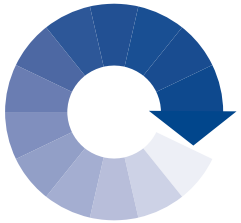
**EXPANDED PARAMETERS** means a **simplified experience** for your office[1]

**2260 PARAMETERS**

## Widest coverage of astigmatic patients

**40% more than any other competitive daily disposable brand of contact lenses[1]**



**Around the clock coverage where you need it most- in low minus, plano to -6.00 D, through -1.75 DC[1]**

NEARLY **96%** COVERAGE FOR **SPHERICAL & ASTIGMATIC EYES**

**1-DAY ACUVUE® MOIST Brand Contact Lenses with LACREON® Technology™ family provide coverage for nearly 96% spherical and astigmatic eyes.[1]**

**1.** JJ&JV Data on file July 2017. Proportion astigmats accommodated with ACUVUE® Brand CLs for ASTIGMATISM

ACUVUE® Brand Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available by visiting acuvueprofessional.com, or by calling Johnson & Johnson Vision Care, Inc. at 1-800-843-2020;
